

THE ROLE OF THE AUDIENCE

You, the audience, are one of the most important parts of any performance. Experiencing the theatre is a group activity shared not only with the actors, but also with the people sitting around you. Your attention and participation help the actors perform better, and allow the rest of the audience to enjoy the show. Here are a few simple tips to help make each theatre experience enjoyable for everyone:

Please leave mobile phones, cameras, and other electronic devices at home or switch them off in your bag. While texting might seem private, the light and motion can be distracting for those nearby and on stage. Please wait to text until after the show.

For student matinees, you are welcome to enjoy food and drinks in the lobby areas. There will be concessions sold for \$1 a piece in the lobby at intermission.

When you notice the house lights dimming and going out, it is a gentle signal to settle into your seats before the start of the play.

While the play unfolds, please refrain from chatting with your neighbors. Listen closely to the dialogue and sound effects, and look at the scenery, lights, and costumes. Your focus on the play helps ensure an uninterrupted experience for both the audience and the actors.

For the safety of everyone in the room, please remain in your seat and keep all hands, feet, and other items to yourself and away from the actors onstage or in the aisles.

To minimize disruptions, please remind yourself to use the restroom before the show or at intermission. You don't want to miss any exciting moments!

We encourage you to express your emotions during the play: laugh, cry, sigh, gasp! The more emotionally involved you are, the more you will enjoy the play.

Lastly, please remain at your seat and join in the applause during curtain call. This is a moment to show your appreciation for the performance, and it allows the actors a chance to express their gratitude for your attention.

Thank you for being part of our theatre community, and enjoy the show!
