## Accessible Parking

While both our Court St. Garage and Circle Centre Red Garage partners offer accessible parking spots, we suggest parking at the Court St. Garage for ease of access.

***\*Note that the Red Garage does not always guarantee elevator or escalator access to be able to travel to the Theatre. If you park at the Red Garage, they have instructed us to use the vehicle ramps and stay vigilant. These ramps are steep so please be careful.***

## Accessible Drop-Off

If members of your party need to be dropped off in front of the Theatre, you can do so. Please turn on your hazard lights and simply let valet know you're dropping off for accessibility reasons. We also ask that you plan extra time and be patient as our valet can fill up quickly and it sometimes takes a minute for cars to move to allow for space.

## Rideshares

If you are taking a rideshare or car service to arrive or leave the Theatre, please instruct them to drop off/pick up on the south side of Washington St. next to the Hyatt hotel. Patrons can then cross the street at the crosswalk of Washington & Capitol to reach the Theatre.

If you have an accessibility need, please have your rideshare pull up behind valet with hazard lights on and let them know you are dropping off/picking up. Please do not obstruct the garage entrance or park and wait on the Indianapolis Cultural Trail.

## Miscellaneous

- Reminder that street parking on Sundays is free and subject to availability.
- Remember to add extra time on traveling to the Theatre if large events are going on downtown (i.e Colt's games, concerts, festivals etc.).
- Parking on the Indianapolis Cultural Trail for any reason is strictly prohibited.
