Thank you for considering the Indiana Repertory Theatre to host your event!

We reside in the historic Indiana Theatre, a beautiful Spanish Baroque-style movie palace built in 1927. We have multiple spaces that work perfectly for small, intimate gatherings, large receptions, or meetings.

The IRT produces world-class theatre throughout the year, and we look forward to working with you to schedule a date for your next event. We hope the Indiana Repertory Theatre is the perfect place for you, where you're sure to make life-long memories!

GRAND LOBBY

CAPACITY: 500 STANDING, 195 SITTING

Decorated in a gorgeous Spanish Baroque style with intricate décor, the Grand Lobby is the ideal backdrop for your event. This long, open space is conveniently located on the first floor and can seat guests in intimate layouts with a large wooden bar centrally located for your refreshments. The Grand Lobby can be used in its entirety or in sections for a more private atmosphere. Included in this rental is the second-floor Mezzanine, which provides additional seating and walking room!

MEZZANINE

UPPERSTAGE LOBBY

CAPACITY: 178 STANDING, 75 SITTING

The Upperstage Lobby is connected to the Janet Allen Stage. It is a beautiful space that was recently fully renovated. With plenty of natural light and a beautiful waterfall marble bar, it is perfect for a cocktail reception or large meeting. Housed on the 4th floor of the building, it is accessible by stairs or by elevator.
